

Northern Sky: Uniting Innovation with Heritage for Transformative Digital Solutions

In today's rapidly evolving digital landscape, government agencies face unprecedented challenges in modernizing their systems while safeguarding critical data. Northern Sky, a joint venture between Fearless and North Stone, offers a unique fusion of cutting-edge technology and cultural wisdom. We combine Fearless's human-centered digital innovation with North Stone's Navajo-inspired ingenuity to deliver transformative solutions that not only meet but exceed the complex needs of federal, state, and tribal agencies.

With our Tribal 8(a) advantages, extensive past performance, and commitment to both technological excellence and social impact, Northern Sky is your catalyst for accelerated, secure, and mission-driven digital transformation.

Capabilities/Areas of Expertise:

Digital Transformation

- Cloud Migration & Adoption
- DevSecOps Implementation
- Agile Software Development
- Low-Code/No-Code Solutions

Data Management & Analytics

- AI & Machine Learning
- Advanced Analytics
- Data Engineering & Governance
- Business Intelligence

Organizational Development

- Change Management
- Workforce Upskilling
- Process Optimization
- Leadership Empowerment

Cybersecurity & Information Assurance

- Zero Trust Architecture
- Risk Management
- Vulnerability Assessment
- Identity and Access Management

We've delivered innovative solutions to a variety of customers.

Fearless: SBA // GSA // CMS // USCIS // DHS // DoD // DIA // USAF // VA // US Army // Intel (IC) // USDS // NARA // CDC // State of MD // State of CT // State of NJ // State of FL // Smithsonian Institute

North Stone: US Marine Corps // US Navy // US Air Force // Defense Information System Agency // Indian Health Services (IHS)

Business Information

Our unique blend of human-centered digital solutions and Navajo-inspired innovation allows us to tackle complex challenges faced by government agencies and commercial organizations. From defense and intelligence to civilian and healthcare sectors, we deliver cutting-edge IT modernization, cybersecurity, and operational excellence.
